CEREMONY pavilion

There's nothing like starting your happily ever after surrounded by one-of-a-kind views. Outdoor weddings give you the opportunity to find that picture-perfect backdrop you and your guests will never forget!

A cement aisle with a bridge leads to a rustic pavilion to cover you and your wedding party. Your guests will be seated in white chairs on green turf - all high heel friendly! Its indoor reception space is just as lovely with charming rustic accents and wooden beams. It'll be the serene hideaway that grants all your indoor and outdoor wedding wishes!

ETERNITY bridge

When it comes to designing your wedding, there's really no "one size fits all" approach. In fact, we think some of the best weddings are the ones packed with personality, creativity, and authentic details that tell a story about the couple.

There's no better way to personalize your wedding and reception décor than with a monogram or initial. The last name initial is an excellent way to symbolize the union of two individuals.

*Signage is a creative way to put a personal stamp on your styling. At Circle C Barn Venue, you have the opportunity to display your initial on the **Eternity Bridge**, allowing you and your guests to capture some happy snaps throughout the evening.*

everything YOU NEED!

The Bridal Party and Groomsmen each have dressing rooms/lounges located in the front of the venue for those touch ups throughout the reception or just a quick break from the hustle and bustle of non stop picture taking, hugging and talking. We also have a Bridal Suite with a wall of mirrors for the bridal party to get ready along with a Groom's Suite.

With lodging on site, your family and friends will enjoy the convenience of being a few steps away from the wedding ceremony and reception.

Come tour our sprawling 27 acre pet friendly property complete with a pond, longhorns, and unique décor for that perfect ***Texas Destination Wedding.***
